MGM EDUCATIONAL INSTITUTIONS

The Story - Legacy - Vision & Mission

Saint Geevarghese Gregorios of Parumala (popularly known as Holy Parumala Thirumeni) a great visionary, reformer and religious leader of the 20th century, The Saint Mar Gregorios of Parumala was a pioneer in the field of Education and remains to be a great beacon of hope and guidance for educators, intellectuals, scholars and all seekers of truth who are consecrated to the Service of Humanity.

Drawing inspiration from the Saint, Dr. Geevarghese Yohannan a philanthropist entrepreneur had decided to enter into the education scenario to establish quality educational institutions in India and abroad with a noble vision to provide value-based education rooted in Indian ethos, legacy, knowledge systems and culture, with state-of-the-art infrastructure and modern teaching technologies, accompanied with a world vision in tune with times, offering excellence in education to all sections of the people at all levels.

For the last three decades, Mar Gregorios Memorial (MGM) Educational Institutions have been providing high-quality education facilities, at par with international standards and parameters, to the students. Founded in 1993, the Yohannan Geevarghese Memorial Charitable Trust, founded by Dr. Geevarghese Yohannan, started the first school at Kottarakkara.

We strive to keep in pace with modern educational systems and technologies, curriculum development, and teaching-learning methodologies, with a focus on NEP 2020, for the ever- changing demands of the local, regional, national, global, social and economic career landscape. Our team of professionals and educators are dedicated to help each student to attain their maximum potential, both academically and socially. Fostering and celebrating our students' talents and achievements, focused on our motto "Here Learning goes Beyond Books", are at the core of all that we do every day.

WELCOME TO MGM EDUCATIONAL INSTITUTIONS

Dr. GHEEVARGHESE YOHANNAN
CHAIRMAN & FOUNDER

For the **last three decades**, we have provided high-quality international-level education facilities to students in Kerala. MGM Educational Institutions have experienced continuous progress due to our commitment to educational excellence. Our mission continues to drive our growth and progress, building on strong foundations. The overall development of every student is the goal of education and we ensure that there is no stone left unturned to equip the student of today with the core competencies needed for the challenges in life he or she will face tomorrow. We strive to keep pace with modern educational systems, curriculum development, and teaching methodologies for the ever-changing demands of the economic environment.

We believe in extending the best education facilities for students of all ages from KG to Research level. **There are 22 Educational Institutions of excellence under our banner.** Once you admit your child to KG in one of our **12 schools**, your child can enjoy the facility of pursuing education up to research level in any of the **10 Professional Colleges** governed by specialized experts of the MGM Group. **We have 4 Pharmacy Colleges, 2 Engineering Colleges, 3 Polytechnic, and 1 Arts and Science College** under our flag strewn across the length and breadth of Kerala.

NITI Aayog's flagship program, **Atal Innovation Mission,** is Govt. of India's endeavor to promote a culture of innovation and entrepreneurship. With this objective, NITI Aayog has initiated the setting up of Atal Tinkering Labs in schools in our country. MGM Residential Public School, Kottarakkara was selected by NITI Aayog for the setting up of ATL Lab among very few schools in Kerala.

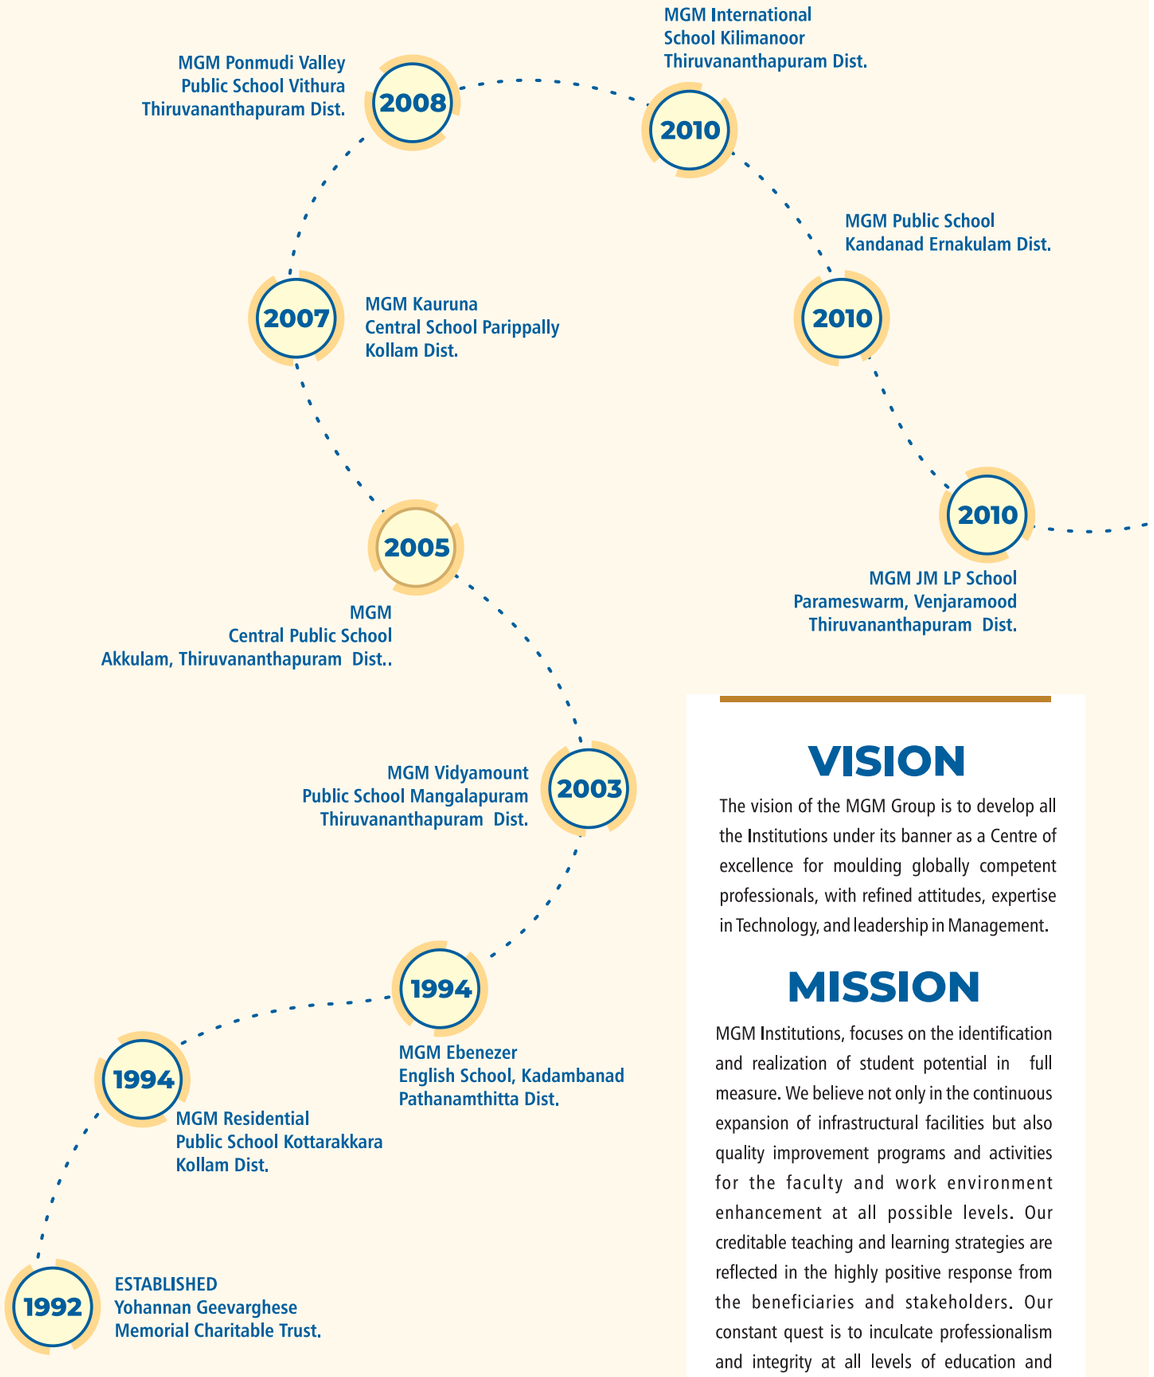

Most of the schools have been successfully accredited by the **British Council** with their International School Award. Schools are awarded the accreditation for their promotion of international awareness and understanding as part of their curriculum, fostering an international ethos throughout the school, and helping to embed it within a school's culture.

Our team of Academic Advisors and Professional Educators are dedicated to helping each student attain his or her maximum potential, both academically and socially. It constantly works towards the implementation of various developmental initiatives for the wholesome and holistic transformation of students. The Academic, Administration and Activities (AAA) of the schools are monitored by the Academic Advisory Board on a day-to-day basis.

The MGM Group of Institutions has produced outstanding graduates who have achieved greatness and made significant contributions to humanity in areas such as government sectors - civil service, medicine, agriculture, research etc.

By God's Grace, the patronage and support extended to us by the Governments at the Centre and in the State, we genuinely feel proud and equally humble to say that the MGM Educational Institutions has made a mark in the sphere of learning in this part of the country in tune with the challenges of the changing times. While thanking the Lord for His providential grace and our Heavenly patrons for their constant blessings and to all the members of the MGM Family - the Management, the Members of the Advisory Board, the Faculties, the Students and their Parents, all our Friends and Well Wishers.

MILESTONES

VISION

The vision of the MGM Group is to develop all the Institutions under its banner as a Centre of excellence for moulding globally competent professionals, with refined attitudes, expertise in Technology, and leadership in Management.

MISSION

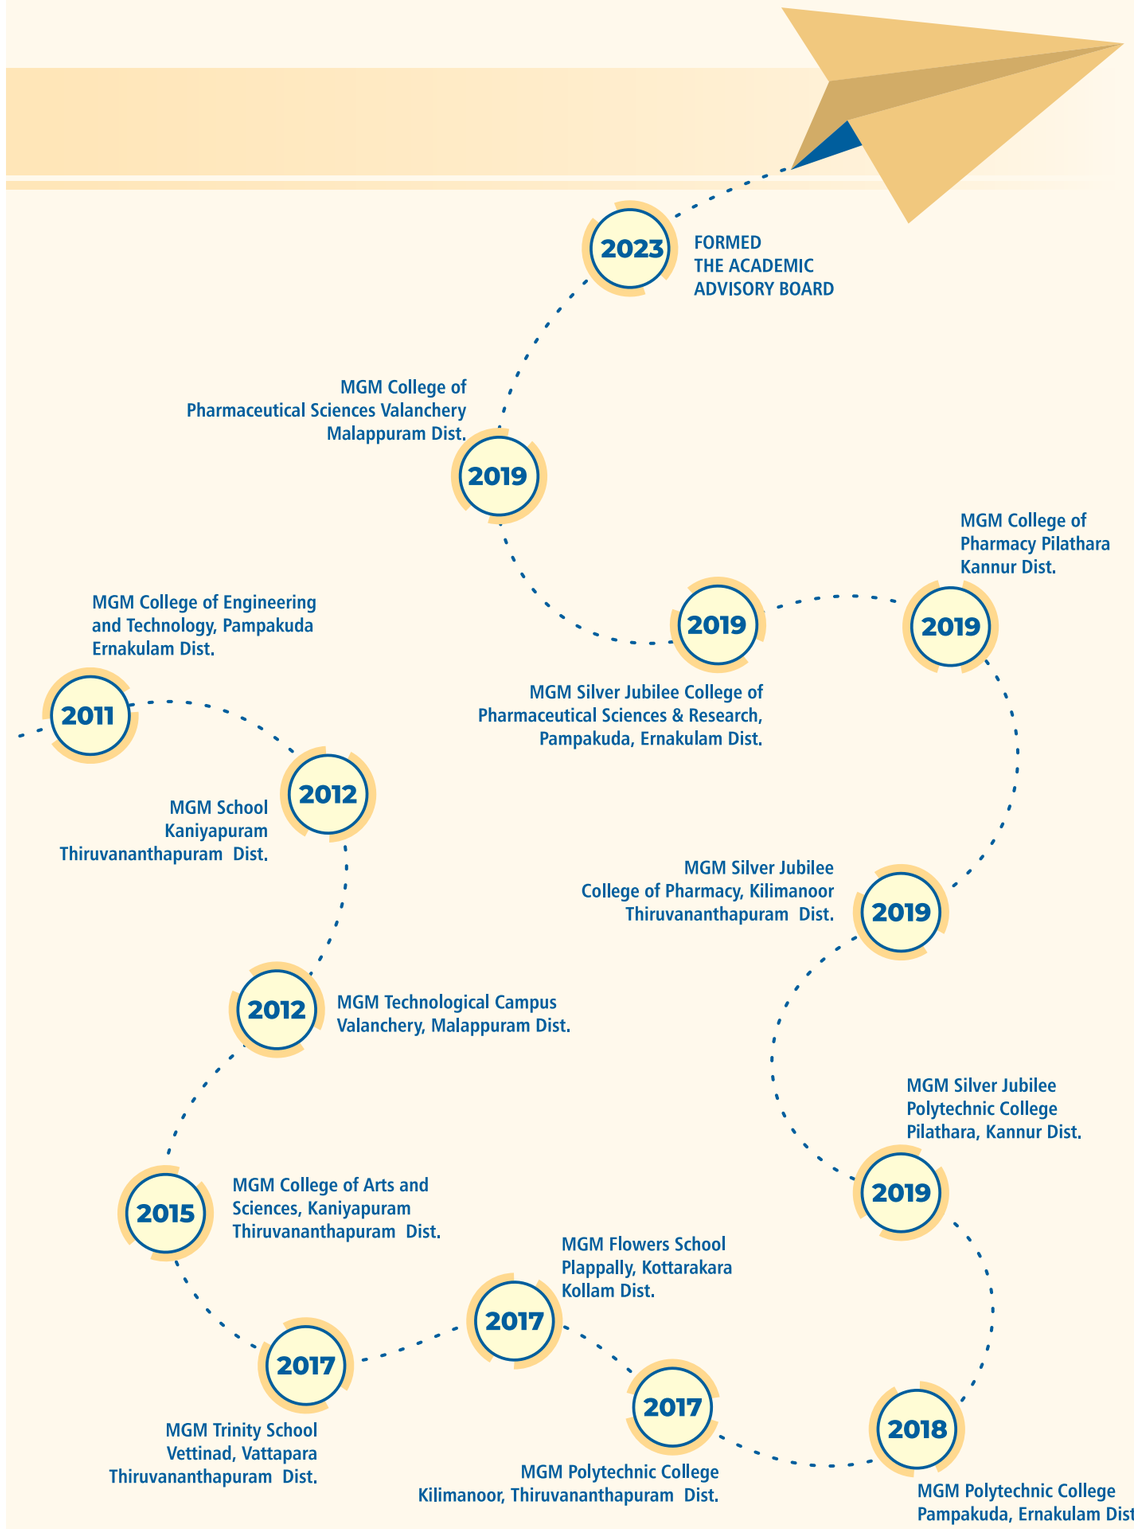

MGM Institutions, focuses on the identification and realization of student potential in full measure. We believe not only in the continuous expansion of infrastructural facilities but also quality improvement programs and activities for the faculty and work environment enhancement at all possible levels. Our creditable teaching and learning strategies are reflected in the highly positive response from the beneficiaries and stakeholders. Our constant quest is to inculcate professionalism and integrity at all levels of education and formation.

Note from the PRESIDENT

(Academic Advisory Board)

Any career note on the growth and expansion of the sphere of learning in Kerala has proved itself a stunning record of Kerala's educational advancement all around. The transformation from the Gurukul system in the past to the current Global pattern-both in style and in content - marks a marvelous revolution. The pioneering role of the Royal dynasties, reigned and ruled in this part of the country, can neither be ignored nor minimized by any one. We also have to acknowledge the leading and guiding roles played by the British Indian rulers on the one hand and the Foreign Missionaries on the other, besides the social reformers whose contributions also have to be appropriately admired and acknowledged in full measure. Indeed, the credit for the insightful initiatives taken goes to our rulers of yesteryears as also to our social reformers, religious scholars and leaders and also the illustrious line of teachers we have had from time to time till date. India's ancient traditions of the Rishis also have to be complimented whenever we make a write-up to summarize the story of our very Civilization during the last couple of millenniums. It is, in fact, from here that we all have tried our hands to make ourselves too a part of that Great Story.

The MGM Educational Institutions also makes no exemption as it also have made the imprints of its services and the stamp of its excellence during the last half a century of its dedicated endeavours in the sphere of our educational scenario. Dr. Geevarghese Yohannan, a well-reputed business entrepreneur turned philanthropist who made his success story abroad, entered the educational field here with an exemplary missionary zeal and dedication, proving his credentials and credibility in no time. Essentially a spiritualist of the first order, the Chairman seems to believe that nothing happens without a Providential Design, consistently accompanied also by Heavenly interventions. This is the Grace of the MGM and the secret of success of the MGM Group.

God bless us all and our institutions!

Dr. Cyriac Thomas

President, Academic Advisory Board, MGM Educational Institutions.
